Re: Asbestos Management Plan

The Asbestos Hazard Emergency Response Act (40 CFR 763.93 (g) (4) requires that written notice be given that St. Albans Town Educational Center has a Management Plan for the safe control and maintenance of asbestos-containing materials found in this building. This Management Plan is available and accessible to the public at the SATEC Front Office, 169 S. Main St. St. Albans Vt. 05478.

Derek Madden, SATEC Building Manager
