Breakfast/Snack to Go- offered daily

The food service program offers a breakfast to go which can be utilized as a snack for later in the day. This will consist of milk, fresh fruit and an entrée. The cost of this is \$1.00, the same as the breakfast. **This is free to all students who qualify for the free or reduced meal program.** Students can pick this up during the morning breakfast hours.

Students staying after school for sports and other events

If a student wants to attend a sporting event or other activity after school that does not start before 3:45, they must leave school and return at the time the event is to begin. We encourage school spirit and our students supporting each other, however we do not have the necessary supervision for students staying after school to wait for the event to begin. Thank you.

St. Albans Little League will begin ONLINE registration for the 2012 baseball and softball season for boys and girls ages 5-12 and for registration for our pre season baseball and softball clinics (ages 7-9 and 10-12)). Visit our website at www.stabaseball.org starting on February 1, 2012 to register. We will also hold live registrations on Monday, March 5th; Tuesday, March 6th; and Wednesday, March 7th at St. Albans Town Educational Center from 6-8pm. Registration fees are \$60.00 for baseball/softball and \$45.00 for Tee Ball (family max of \$120.00). For more information contact Rob Green at 524-7167
